Hi Jennifer – Here is an update for the community that occurred since your last meeting.

On October 1st, the DNR issued a Request for Proposals to begin the process to hire a Community Liaison to help with activities and services related to providing safe drinking water to eligible residents in the town of Peshtigo using the funds from the recent settlement with Tyco. Proposals are due Nov. 9th. Links to additional information and the Request for Proposals are provided below.

Request For Proposals: Community Liaison For PFAS In Private Wells – Town Of Peshtigo | Remediation & Redevelopment Program Public Notices | | Wisconsin DNR

Hi Alyssa,

My apologies for the late notice. We have a board meeting this coming Tuesday October 20th in the event you have any information to share other than what has already been distributed. I have heard from some residents who have been in receipt of the survey.

Thank you!
Jennifer
